

THE GASOLINE BAR

MR. GASOLINE

Visualise yourself walking on a festival. In the distance you see a motorcycle in red, blue and white.

Music pounding out of the speakers and a macho trailer-trash looking biker washing his iron-stallion in the most sensual feminin way imaginable. He looks your way, eye-contact is made; you realise there's no way back...

MR. GASOLINE IS COMING FOR YOU!

COEN AERTS

Performer Coen Aerts makes use of contrasting bodylanguage and stereotypes in interaction with the audience. Constantly flowing between hyper masculin, feminin sexy and innocent childish.

Improvised theatrical moments are combined with his routine of inviting people to gamble for the JACKPOT - a ticket for the route 69; a playfull 'lapdance' on the bike.

THE GASOLINE BAR BRINGS YOU

THE ONE AND ONLY MOTORCYCLE-MINI-BAR-DANCING-
KARAOKE-SLOTMACHINE-MOBILE IN THE WORLD

AN ALL INCLUSIVE, SELF RELIANT, STREET-THEATRE AREA

A SIX HOUR SHOW AND MR. GASOLINE HIMSELF AS DJ

AN ORGANIC HOME BREW ENERGY-DRINK FOR PARTICIPANTS

A BOYLESQUE SHOW ON THE BIKE FOR JACKPOT WINNERS

GROUP WORKSHOPS 'NON-VERBAL SPEEDMEET' & 'SEXY-DANCE'

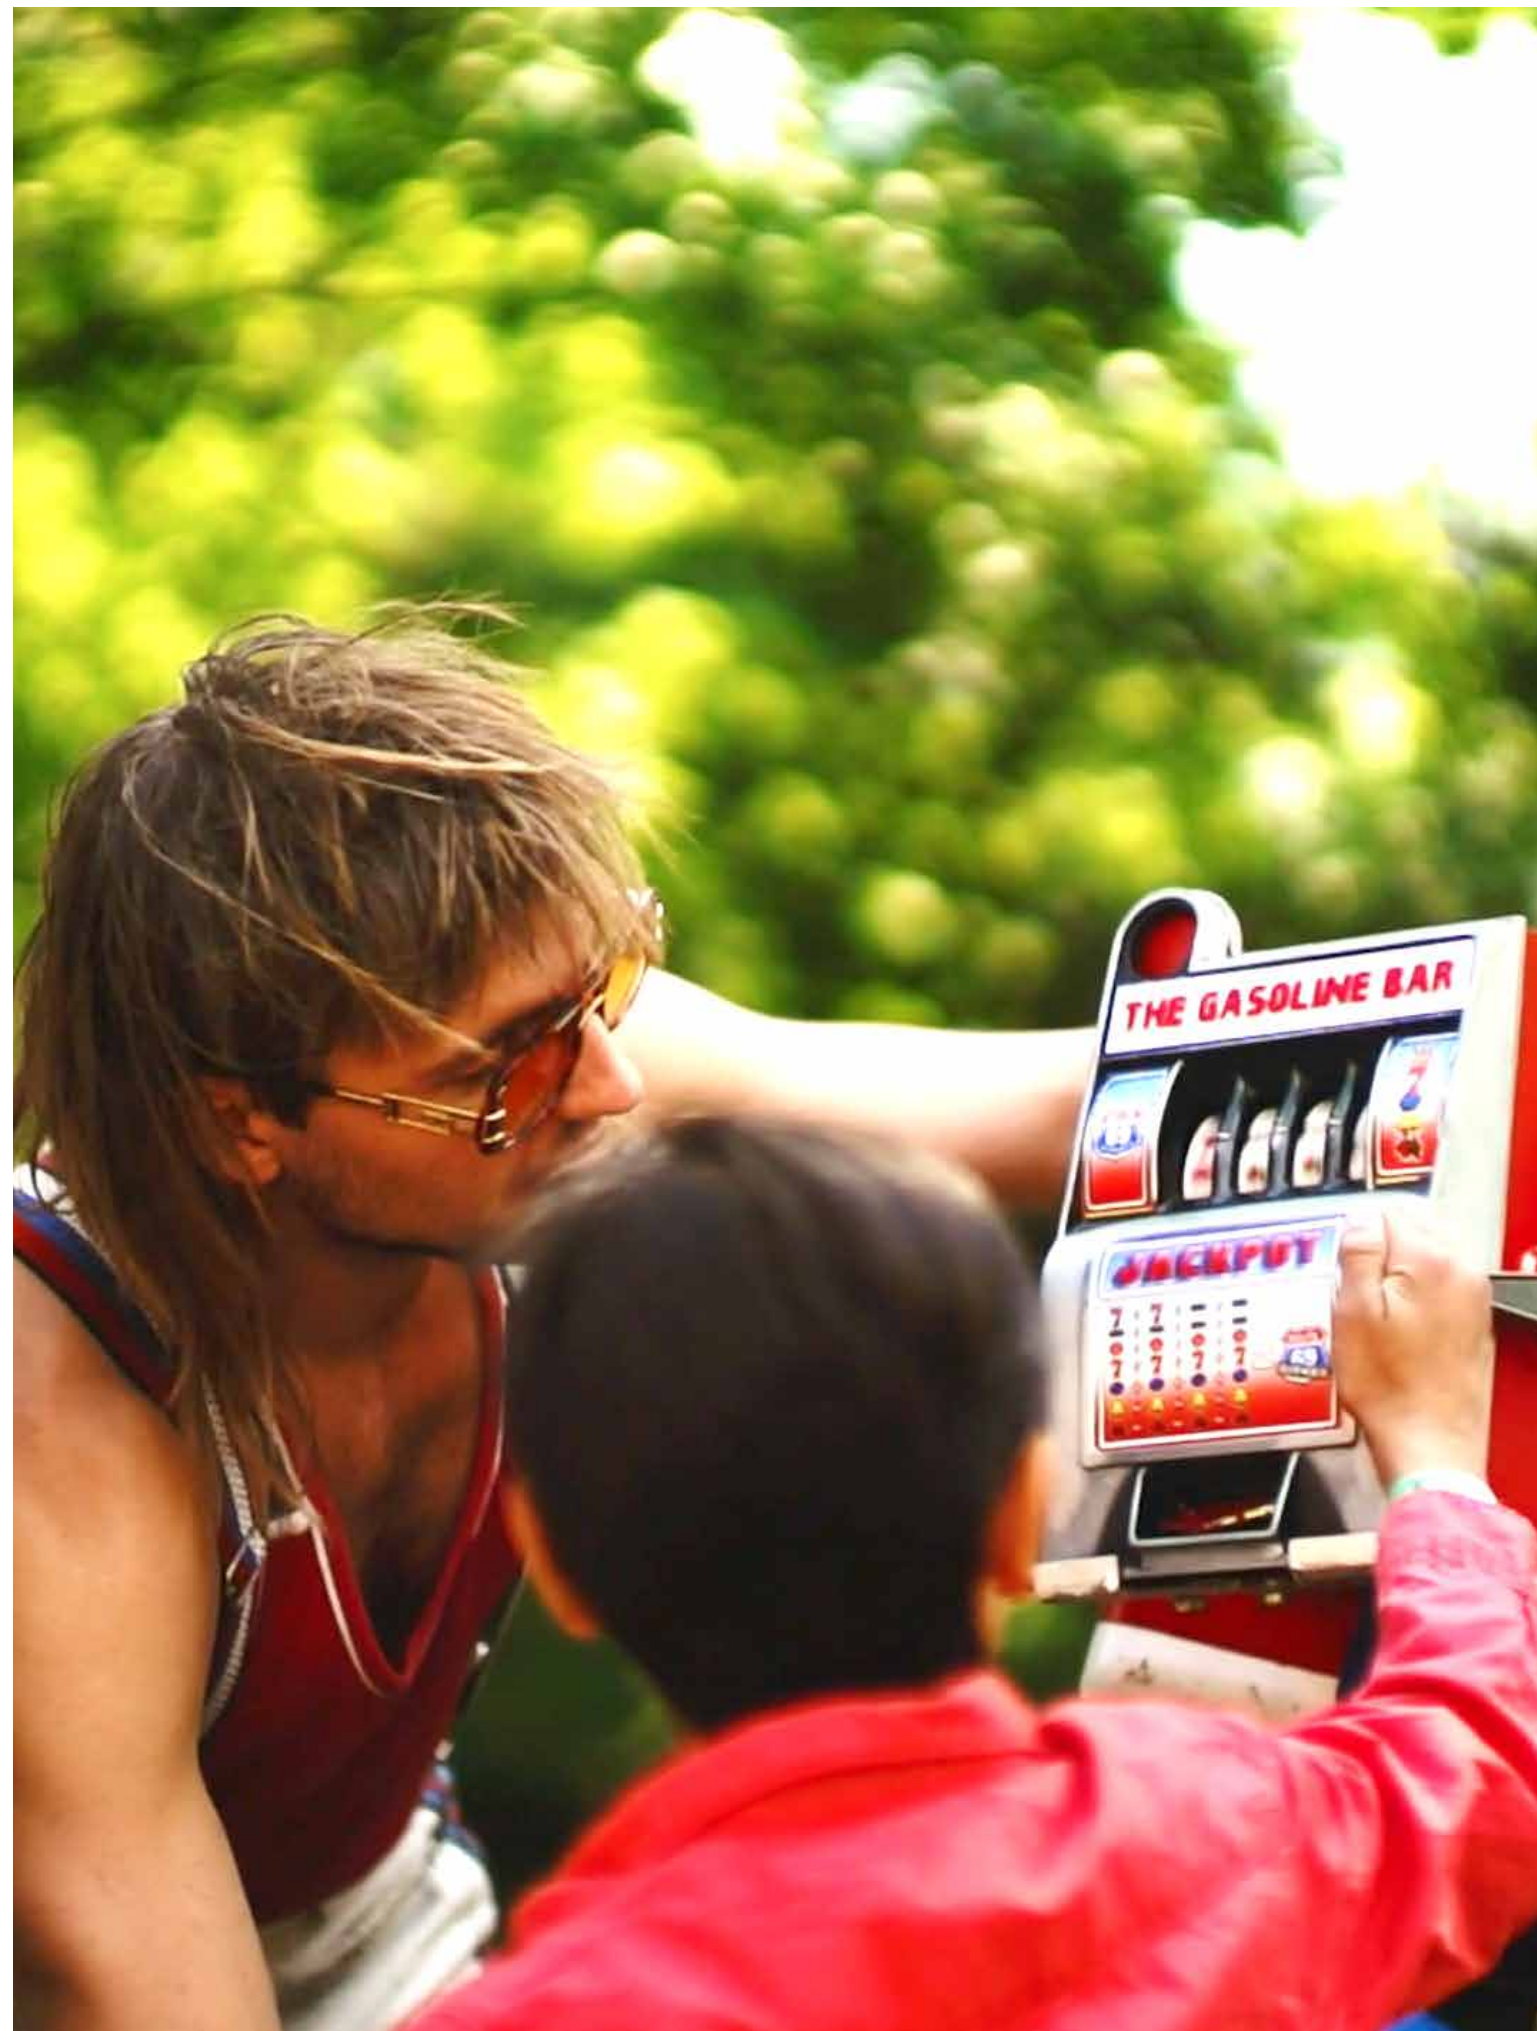

MOTIVATIONAL GROUP EXERCISES TO BUILD UP ENERGY LEVELS

The Gasoline Bar is about playful interaction.

This proved to make the show appropriate for both adults and kids!

As Mr. Gasoline mirrors common beliefs about gender, sexuality and morality in grown-ups, children just see a weird looking man playing around with people. Watch the video to get an idea.
